## HOSPITALITY CORP. OF AMERICA

### MANAGEMENT DIVISION

We represent the owner-investor in the continuing daily management of hotels, restaurants, resorts and clubs. We provide expertise, close supervision, tight controls and good marketing strategy to insure the optimum return on the investment.

### CONSULTING DIVISION

We analyze the total operation and isolate the problem areas — design, staffing, training, marketing, menu, accounting—and make recommendations to correct deficiencies.

### DESIGN AND DEVELOPMENT DIVISION

We do feasibility studies, and create original and modern concepts for new operations. We can do the layout and design, architectural services, decor, menu, recipe development, operational manuals, staffing and training—a complete turn key package.

### TRAINING AND ORGANIZATION DIVISION

We will analyze your operation and recommend the organizational structure, staffing, scheduling, payroll saving techniques. We will write complete job descriptions and training manuals and will train you or your supervisors to more effectively train your staff.

### ACCOUNTING SERVICES DIVISION

We will analyze your internal operations to recommend and install intelligent and necessary controls. We can furnish computer services for accounts payable, payroll and general ledger, provide you with a monthly P & L statement and a two hour meeting to discuss and comment on your P & L statement.
